Ball will struggle to find a serious job playing pro basketball, including the G-League. @Mike_Schmitz projected him in high school as a small-ball stretch 4-man at the mid-major college level. Would make sense for Ball to find a scholarship at a lower level and stay in school.

Young thug in 3017

(Verse 3: Young Thug)

Call yo bitch and tell her I need some mechanical

Plus she make me stand out like a ruler

Even tho I don't got all my strolls

I'mma pull up on lil momma with a doors off

I'mma treat myself and buy myself a rollie

Then I walk into a party full of cougars,

slow

This just might be an interesting YT

Yeah nigga, this a crew cut

Crew cut, momma say yo crew cut

On that GT ass for a while

Interesting play on words: YT (Young Thug) and white tee. This connects with the next line, where Thugger makes the double entendre "crew cut" which references both the t-shirt style and the fact that this rapper has his crew cut.

Crew cut, momma say yo crew cutUnreviewed Annotation by YiggyAssHaircut. [more](#)**Triple Entendre**

Here, the words "crew" and "cut" have several meanings:

1. The crew-cut collar of a plain white tee shirt.
2. A posse track, or a cut off his crew

"Young Thug isn't lyrical"

(Verse 3: Young Thug)

Call yo bitch and tell her I need some me-

chanical

Plus she make me stand out like a ruler

Even tho I don't got all my strolls

I'mma pull up on lil momma with a doors

off

I'mma treat myself and buy myself a rollie

Then I walk into a party full of cougars,

slow

This just might be an interesting YT

Yeah nigga, this a crew cut

Crew cut, momma say yo crew cut

"Flava" by Rich Gang

This just might be an interesting YT

Unreviewed Annotation by kazir. [more](#)

Interesting play on words: YT (Young Thug) and white tee. This connects with the next line, where Thugger makes the double entendre "crew cut" which references both the t-shirt style and the fact that this song has his crew on it, so it's a crew cut. Meaning 1: This single is a smash

RAP GENIUS 🔍 [Open in App](#)

Crew cut, momma say yo crew cut

Unreviewed Annotation by YiggyAssHaircut. [more](#)

Triple Entendre

Here, the words "crew" and "cut" have several meanings:

1. The crew-cut collar of a plain white tee shirt.

2. A horse track, as a cut off his crew.
